ON MIC COMMUNITY

ONE ROOM. MANY VOICES. ENDLESS CONNECTION.

01 / THE MARK

Keep the full 3:2 artboard.
Leave clear space equal to the symbol height around the artwork.
Never stretch, recolour or add glow.

Full logo: at least 90 x 60 px.
For 16-48 px, use the symbol.
Use white on ink; ink on cream.

02 / COLOUR

INK	VIOLET	DEEP	MAGENTA	LIME	ORANGE	SKY	CREAM
#0D0616	#6B2CFF	#3A12A8	#FF2E93	#C6FF3D	#FF7A2F	#47D7FF	#FFF3E2

03 / TYPE

Website: Anton for bold headlines; Instrument Serif italic for contrast.
DM Sans for reading; Space Mono for details; Permanent Marker for quotes.
Social SVG sources remain editable. PNG headlines use condensed display type.

04 / PHOTOGRAPHY

Warm faces. Violet shadows. Real connection. Show the chorus, the laughter, the guitars and the friends leaning in. Keep brown skin natural. Use rich amber light and subtle magenta edges; avoid plastic skin or nightclub styling. Keep key faces in the central 70-80%. Leave the bottom-left quiet for labels.

05 / DIGITAL DELIVERY

Web photos: exact export size, sRGB, no EXIF/GPS. JPG + WebP supplied.
Tiles: 250 KB maximum. CTA: 300 KB desktop / 200 KB mobile maximum.
App symbol stays inside the central 80% circle. Apple icon is opaque ink.
Stories: top/bottom 250 px free. Reel headline: inside the central square.

06 / USE WITH CARE

New photo scenes and performer are AI-generated interpretations of the vibe. Use real member photos and permission for actual testimonials. The venue reference is a real source photo; confirm location before adding it to a pass. Logo SVGs are cleaned vector reconstructions, not the original design file.
